

Os Curiangos - Parabéns, Manu

tom: D

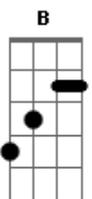

São quinze anos, um sonho real
 Ela é de Angra dos Reis
 Linda menina te amamos demais
 Verdade de nós três
 O nome dela é Manu

Nem o ar, nem o mar
 Nem o infinto céu azul
 Nem as flores do campo
 Nem o sol que nos inflama
 Como explicar você, Manu?

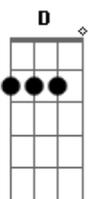

Em baixo da cama, em cima ou do lado
 No armário, na escuridão
 O traje perfeito para a festa perfeita
 O atraso não terá perdão
 Pegamos a estrada, mas sem dizer nada
 Disparos e explosões
 A ansiedade que toma a cidade
 Tomava nossos corações

Parabéns, Manu
 Parabéns, Manu
 Mil vezes Manuela
 Parabéns, Manu
