

Os Serranos - A Primeira Vez

Tom: Bb

A primeira vez que eu vi você meu grande amor

Não quis acreditar e mesmo assim aconteceu

A primeira vez que eu vi você

O vento pela rua assoviava um chamamé

A primeira vez que eu vi você

Senti no teu olhar a luz do entardecer

Aprendi sonhar antes de adormecer

E a vida foi chegando de uma vez

E o amor se fez, quem dera ter você mais uma vez

E o amor se fez, estas coisas só acontecem de uma vez

Pois quando o amor se vai, a gente não esquece mais

Assim nos olhos vem num suspiro

O bem-me-quer se desfolhou

Vai batendo o coração porque encontrei meu grande amor

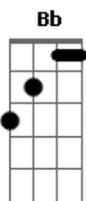

Marquei o dia marquei a hora

No calendário que o amor fez

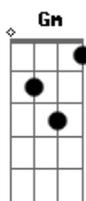

A estação da paixão a minha primeira vez

A estação da paixão a minha primeira vez
