

Os Serranos - Poncho Molhado

Tom: D
Intro: . : D

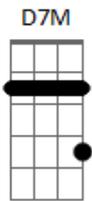

Poncho molhado olhar na tropa e no horizonte
 Vai o tropeiro devagar estrada a fora
 A chuva encharca que está chovendo desde anteontem
 dói dentro d'alma essa demora
 (Irmão do gado ele se sente nessa hora
 E o seu destino também vai nesse reponte

Igual a tropa nesse tranco estrada a fora
 Sempre encharcado de horizontes
 A tropa segue devagar mugindo tonta
 Talvez pressinta que seu fim é o matadouro
 E o tropeiro entristecido se dá conta
 /O boi é bicho mais tem alma sob o couro/ (3x)
 O boi é bicho mais tem alma sob o couro)
