

Os Trepidantes - No More

Tom: A

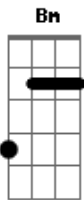

No more
 Singing that old song
 That makes me think of you
 Don't bring back the past
 And things we used to do
 They only hurt me
 And make me sad too!
 For I
 Don't want to remember

All the tears I cried
 Now I only want to get my peace of mind
 I won't dare again
 I hope to see it through
 Nobody else can make
 Fun of my name
 By saying that I've been a fool
 Who used to believe
 Someone like you
 La la la
 Do you love some
