

Osvaldo Junior - More Life

Tom: **A**

When I Fly
 I will know the right moment
 To get where i want
 Do not be sad nor stop
 Tomorrow will be a new day
 Good things will happen
 Whatever it is
 Believe and go ahead
 More life
 It's what we need to know
 More life, life does not stop

More life More Life More Life
 I believe in humanity
 I believe in good sense
 Everything will be resolved
 Do your part
 Do not wait and be happy
 Good things will happen
 Whatever it is
 Believe and go ahead
 More life is what we need to know
 More life life does not stop
 More life , more life more life
