

# Oswaldo Jesus Motta - Liberdade, Liberdade, Senhor!

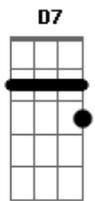

tom:  
 Despontou no céu a esperança  
 Através da luta de um povo  
 Revoltas retratadas pela história  
 Figuram nos anais deste esplendor  
 Julgavam Patrocínio e Nabuco  
 "Abolição é o caminho, por favor!"  
 Recordando do irmão que sofre  
 E clama por uma vida sem dor  
 Outros sim, a bandeira hastearam  
 Do homem livre, pela qual a luta é santa  
 E sendo assim, por demais fizeram  
 Silva Jardim, Barbosa e Luís Gama

F Cm F7  
 Foram então criadas muitas leis  
 Que os bravos homens enganavam  
 Prometendo a tão sonhada vida  
 Com a liberdade que almejavam  
 Liberdade, Liberdade, (Liberdade, Senhor!)  
 Ouviu-se ao longe ecoar  
 Quando a princesa assinou  
 A lei que devolveu o sonhar  
 Liberdade, Liberdade, (Liberdade, Senhor!)  
 Ouviu-se ao longe ecoar  
 Quando a princesa assinou  
 A lei que devolveu o sonhar
