

Oswaldo Montenegro - Sujeito Estranho

Tom: A

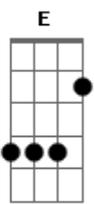

Era um sujeito estranho
 Na barba, nos olhos, no rosto de sal e mais
 Era um sujeito como se fosse possível
 Chover sem molhar e mais
 Era como se um índio pudesse tentar,
 ser como ele era e mais,

Era um menino estranho, um homem tamanho
 Sabia pegar e mais
 Era como se a força, como se um redemoinho
 Puxasse mais
 Era como se a lua que eu trago nos dedos
 nos puxasse mais e mais
 Era como se não tivesse sido jamais.
