

Our Last Night - A World Divided

Tom: C
Intro: Am Ab F Am Ab F E

Am Ab F E
It's hard to be afraid of me so you don't understand
Am Ab F E
I'm hanging on the edge but you won't reach for my hand
Am Ab
If we came face to face, you would see no difference between
you and me
F E
(We are the same)
Am Ab F
E
If we let the hate radiate out of us like a sun, watch it burn
through our veins
(Am Ab)

Am C G D
Divided by the colors, split by our beliefs
Am C G D
Forced against each other, nothing's as it seems
Am C G D
But between what was, we could forget it all
Am C G D
To feel with fate, we could start to change a world divided
and afraid
Am Ab F
A world divided and afraid
(Am Ab F E)

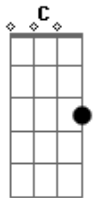

Em G D (The G and D barre
chords sound better here)
The room wasn't lies, all a surprise (?)
D
(Leaving us on separate sides)

Em G D (It's the same strum
pattern as the first part)
I just let [indecipherable lyrics]
D
(These lines are here to keep us in the dark)
(Am Ab)
Am C G D
Divided by the colors, split by our beliefs
Am C G D
Forced against each other, nothing's as it seems
Am C G D
But between what was, we could forget it all
Am C G D
To feel with fate, we could start to change a world divided
and afraid
(Am Ab F E)

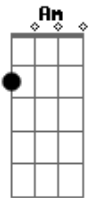

F Ab Am
We need to break the cycle of hate
F Ab Am
We need to break the cycle of hate

Am Ab
Am C G D
Divided by the colors, split by our beliefs
Am C G D
Forced against each other, nothing's as it seems
Am C G D
But between what was, we could forget it all
Am C G D
To feel with fate, we could start to change a world divided
and afraid
Am Ab F Am Ab F E
A world divided and afraid
