

# Our Last Night - Diamonds

Tom: Bb

(com acordes na forma de G )

Capostrate na 3ª casa

Verso 1:

Em  
The desert air was sharp as a knife  
The late autumn sky delivered the night  
Em  
As far as I could see the road looked dark  
The only life I knew was about to fall apart

Em  
Time's ticking and I can't escape  
The pin pulled on a hand grenade  
White flags start to raise

Pré-Refrão:

G D  
I wonder how it got this way  
I swear it felt just like yesterday  
D  
We were fearless and unafraid

Refrão:

C Em G  
Take me back to younger dreams  
C Em G D  
When times were easy and we believed  
Take me back to revive my memory  
C Em G D Em D C  
I'm digging deep but I am scared that I have lost my younger dreams

Verso 2:

Em  
Sick and tired trying to survive  
I forget how it feels to be alive  
Em

I can only hope I'm remembered by  
The fearless heart that I once had inside  
Em  
Times ticking and I can't escape

The pin pulled on a hand grenade  
White flags start to raise

Refrão:

C Em G  
Take me back to younger dreams  
C Em G D  
When times were easy and we believed  
Take me back to revive my memory  
C Em G D Em D Em D
