

OutKast - Roses Intro

Tom: **G**

Tabbed by: SilentDeftone

Tuning: EADGBe

Okay, this is the jazzy little piano part in the beginning of the song.
Someone posted in Tab Talk requesting a transcription from a .jpg of sheet music, so I transcribed it and decided to submit it as well.

The chords on top of the tab are chords that were notated in the bass clef.

I tried to tab with as accurate timing as I could, but you'll probably have to listen to the song.
