## **OutKast - Spottieottiedopaliscious**

Tom: E

Tabbed by:daveplayer#41 Email:JM

Tuning:Standard

I would bet all my money that this is 100% correct Intro: & Verse (This part is just two chords)

Chorus: Two parts to this and they are almost identical (Part 1 is played and Part 2 is directly after it. As long as you play the chorus play Part 1 then Part 2)

Part 1

Part 2

I hope this helps everyone. Great song.
