

Outline In Color - Promises

Tom: D

Intro: D Bm G Gm

D
On a summer night
As you pull me closer Bm
Baby, please don't cry G
Isn't this what you had hoped for Gm
Sorry to say that we can't just go back D
Pretend like you tried and we'll live it at that Bm
Wouldn't you hate to admit that you did this to yourself G Gm Bm D

Refrão:

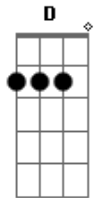

And you're throwing away happiness with both hands Bm A
Just blame it on miles Em
But you knew all the while G
Don't tell me that it's better off this way Bm A
And you started to say the words you run to so quickly Em
Can you make me believe that I shouldn't leave G A D
These lights reveal your face so differently

(Intro) D Bm G Gm

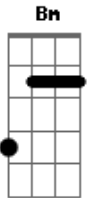

D
So make promises that we both know you wont keep Bm G Gm
Leave it to me to believe in your eyes D
I'm calling you out on your only regret
More like regret is calling you Bm G Gm
My dear in the headlights so cold and alone
(Refrão)
Bridge:
And she whispers in my ear B
Promise me when you're not here, promise to never let me go G A
(Refrão)

D
On a summer night Bm
As you pull me closer G
Baby, please don't cry Gm D
Isn't this what you had hoped for
