

# Owen Temple - Dry Creek

Tom: E

(com acordes na forma de D )  
 Capotraste na 2ª casa  
 Capo on 2nd fret

D G  
 Just a little way down Mount Bonnel Road  
 A D  
 There's a little place where the beer is cold

D G  
 Dry Creek café and dock  
 A D  
 No place better come five o'clock

Just off the lake a two story bar  
 You know you're there when you see the cars  
 Lined up and parked along  
 Jukebox playing a Guy Clark song

A  
 I wanna go down to Dry Creek

Em  
 Down among the live oak trees

A  
 No playin' cards or leavin' bottles around

G A D  
 You can sit on the dock and watch the sun go down

There's a weathered deck right upstairs  
 A few odd tables and rusty chairs  
 Spring days when the hills are green  
 Feel the Texas sun warm on your skin  
 Ain't it good to be back again  
 People's voices with the swaying trees  
 Honeysuckles on a gentle breeze

Sara owns the place and she lives in a shack  
 A green trailer parked out back  
 High dollar condos are closin' in  
 And she ain't thinking 'bout giving in  
 Rumors go around with the offers they make  
 For the little piece of land there by the lake  
 She tells 'em all to go to hell  
 After fifty years she ain't gonna sell

So if you want to keep the bulldozers back  
 Stop and get a drink at the Dry Creek shack  
 Watch Lake Austin and a big blue sky  
 You won't ever have to ask me why
