

Owen Temple - One Less Thing To Worry About

Tom: **F**

(com acordes na forma de **E**)
Capotraste na 1ª casa
Capo on 1st fret

E
I was late for work

My boss is a jerk
B7
He said don?t let it happen again

B7
But when I got my check

I said what the heck
E
I?ll spend a weeknight out with friends

E
The last thing I recall
About the old dancehall
Was thinking I should probably get home soon
B7

But at least I enjoyed becoming unemployed

E
I woke up at the crack of noon

E **A** **E**
That?s one less thing to worry about

E **B7** **E**
Work was a jail and I busted out

E **A**
I got time on my hands and there ain?t no doubt

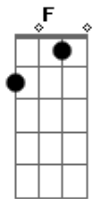

B7 **A** **E**
That?s one less thing to worry about

There was a new girl in town
And I seen her around
She was the prettiest thing I?d seen
I had a plan in mind
How to make her mine
At the fair out in Abilene

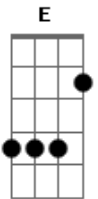

Well I won her a prize
And I looked in her eyes
I thought that love I saw there was real
But on a ride in the sky
She met another guy
Left me standing by the ferris wheel
