Tom: **C**

**C**  
All that I need is to  
**C**  
Know that I'll know you  
**G** **F**  
When you're older

**C**  
O, Evelyn  
**C** **G**  
Don't shy away from the cameras  
**F**  
And don't die before I do

**C**  
And all that I need is to  
**C**  
Know that I'll know you  
**G** **F**  
When you're older

**C**  
O, Evelyn  
**C** **G**  
Don't waste no time feeling sorry

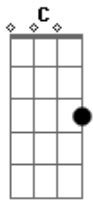

**F**  
And don't lie down with salesmen

**F** **Em**  
Baby, I'm feeling old  
**F** **G**  
And the hairs on my bones  
**Am** **G** **F**  
Are turning grey  
**Dm** **G**  
Where skin once lived  
**G7**  
Only blisters remain

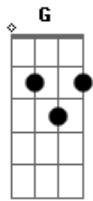

**C**  
And all that I need is to  
**C**  
Know that I'll know you  
**G** **F**  
When you're older

**C**  
O, Evelyn  
**C** **G**  
Don't let your shyness define you  
**F** **C**  
You're a queen amongst libertines
