

Owl City - Air Traffic

Tom: **Gb**

(com acordes na forma de

Capotraste na 4ª casa

Intro: **D** **Em** **G** (2x)

D **A** **G** (4x)

D **A** **G**
The bird is here, and we are off

D **A** **G**
To wherever those wings take us.

D **A** **G**
The atmosphere is crawling with airlines

D **A**
That wind through the clouds,

G
and look down on the crowds.

D **A** **G**
Relax your back and let the noise

D **A** **G**
Sing you to sleep in my arms.

D **A** **G**
If you awake before we arrive,

D **A**

I will carry you down,

G
and I won't make a sound.

(**D** **Em** **G**) (2x)

(**D** **A** **G**) (2x)

D **A** **G**
The scent is strong as we move on,

D **A** **G**
and breathe in the pristine crime scene.

D **A** **G**
The false veneer is old like a substitute

D **A** **G**
Volunteer from, oh, some other year.

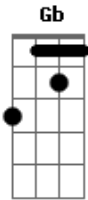

D **A** **G**
I'm just a show as far as I can tell,

D **A** **G**
So I paint my eyes a light green.

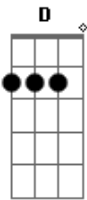

D **A** **G**
The silver beams are twirling and swirling

D **A** **G** **G**
Throughout your dreams like air traffic streams...
