

# Owl City - Beautiful Times

Tom: A  
Intro: A A

A spark soaring down through the pouring rain  
And restoring life to the lighthouse  
A slow motion wave on the ocean stirs  
My emotion up like a rain cloud

When did the sky turn black?  
And when will the light come back?

Intervalo  
( A D E Gbm D )

A cab driver turned to skydiver, then to survivor  
Dying to breakdown  
A blood brother, surrogate mother  
Hugging each other, crying their eyes out

When did the sky turn black?  
And when will the light come back?

I'm ecstatic like a drug addict  
Locked in the attic, strung out and spell bound

I fought all through the night  
Oh oh, but I made it alive  
The sun's starting to rise  
Oh oh, these are beautiful times

[Refrão]

This fight of my life is so hard  
So hard, so hard  
But I'm gonna survive

Oh oh, these are beautiful times

2x ( Bm D Gbm E ) Intervalo

A bad feeling burned through the ceiling  
Leaving my healing heart with a new scar  
A dead fire rose and rose higher  
Like a vampire up from the graveyard

When did the sky turn black?  
And when will the light come back?

We all suffer but we recover  
Just to discover life where we all are  
I fought all through the night  
Oh oh, but I made it alive  
The sun is starting to rise  
Oh oh, these are beautiful times

This fight of my life is so hard  
So hard, so hard  
But I'm gonna survive  
Oh oh, these are beautiful times

This fight of my life is so hard  
So hard, so hard  
But I'm gonna survive  
Oh oh, these are beautiful times

My heart's burning bad and it's turning black  
But I'm learning how to be stronger  
And sincerely, I love you dearly, oh  
But I'm clearly destined to wander
