I feel unhappy, I feel so sad C Dm C

I lost the best friend that I ever had
She was my woman, I loved her so
But it's too late now, I've let her go
I'm going through changes
I'm going through changes
We shared the years, we shared each day
In love together we found a way
But soon the world had its evil way
My heart was blinded, Love went astray
I'm going through changes
I'm going through changes
It took so long to realize
And I can still hear her last goodbyes
Now all my days are filled with tears
Wish I could go back and change these years
I'm going through changes
I'm going through changes
