

Ozzy Osbourne - Running out of Time

Tom: Gb
Intro: (Gb Fm Ab Gb Gb Fm Ab)

Been around this world so many times
If you could only see my mind
I watch my secret heaven turn to hell

Faith alone has guided me
The ghost of my own destiny
I haven't even got a soul to sell

All the thing I put me through
I wouldn't wish my hell on you
You'll never know what's going on inside

Just another lonely broken hero
Picking up the pieces of my mind
Running out of faith and hope and reason
I'm running out of time
Running out of time

Solo (Ebm Gb Db Ab)

harm. artificial

Trouble always seems to find
A way to live inside my mind
My haunted head and me remain alone

Underneath my masquerade
A simple man who's so afraid
I try to find a light to guide me home
Momma please just hold me tight
Feeling so afraid tonight
Cause your the only one that really knows
Just another lonely broken hero
Picking up the pieces of my mind
Running out of faith and hope and reason
I'm running out of time
Running out of time

Fighting for my sanity
Many nights of tragedy
Got to leave my Wretched ways behind
Just another lonely broken hero
Picking up the pieces of my mind
Running out of faith and hope and reason
I'm running out of time
Running out of time
I'm running out of time
Running out of time
