

# Ozzy Osbourne - See you on the other side

tom:

[Primeira Parte]

Voices, a thousand, thousand voices  
Whispering, the time has passed for choices  
Golden days are passing over, yeah

[Refrão]

I can't seem to see you baby  
Although my eyes are open wide  
But I know I'll see you once more  
When I see you, I'll see you on the other side  
Yes, I'll see you, I'll see you on the other side

[Segunda Parte]

Leaving, I hate to see you cry  
Grieving, I hate to say goodbye  
Dust and ash forever, yeah

[Refrão]

Though I know we must be parted  
As sure as stars are in the sky  
I'm gonna see when it comes to glory  
And I'll see you, I'll see you on the other side  
Yes I'll see you, I'll see you on the other side

[Ponte]

Never thought I'd feel like this

Strange to be alone, yeah  
But we'll be together  
Carved in stone, carved in stone, carved in stone

[Terceira Parte]

Hold me, hold me tight, I'm falling  
Far away, Distant voices calling  
I'm so cold, I need you darling, yeah

[Refrão]

I was down, but now I'm flying  
Straight across the great divide  
I know you're crying, but I'll stop you crying

When I see you, I see you on the other side  
Yes, I'll see you, See you on the other side  
I'm gonna see you, See you on the other side  
God knows I'll see you, see you on the other side, yeah

[Final]

I'll see you, See you on the other side  
I'm gonna see you, see you on the other side  
God knows I'll see you, see you on the other side, yeah  
I wanna see you, yeah, yeah, yeah  
See you on the other side  
God knows I'll see you, see you on the other side, yeah  
I'm gonna see you, see you on the other side
