Em
Astral engines
In reverse
I'm falling through
G (**G G Em**)
The universe again
Em
Down among
a dead man's vision
Faded dreams and
G (**G G Em**) (**G G A**)
Nuclear fissions span

A
The strings of fear
they we're a
C **Em G** (**G G A**)
Holding up the race

A
The puppets falling
C Em G (**G G A**)
To the ground

A
The love I feel as I
C
Fly endlessly
Em G
Through space

A
Lost in time
C
I Wonder Will
Em G Em G Em
My ship be found

(**Em G**)
(**G G**)

Em
On this sinking
ship I travel
Faster than

G (**G G Em**)
the speed of life

Em
Not so super
nova burns
The black holes turn
G (**G G Em**) (**G G A**)
and fade from sight

A
The strings of fear
They we're
C
hide within
Em G (**G G A**)
the human race

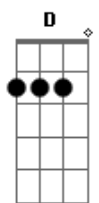

A
The answers burried
C Em G (**G G A**)
underground

A
The love I feel as I
C
fly endlessly
Em G
through space

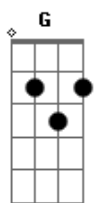

A
Lost in time
C
I wonder will
Em G Em G
My ship be found

C
And very soon
Em G
The boundless moon
C
Will show us light
G
And as we crash
C
We'll pray and kiss
Em (**Em**)
And say goodnight
G Em
Goodnight
