

# Pacifica - Silent Affection

tom:  
C  
I'm seeing different colors  
Couldn't tell you nothing further  
F  
I couldn't lie, couldn't write something random  
I can tell that it's too much to handle  
C  
I wouldn't wanna bother  
But I'm not thinking of another  
F  
I like to burden with silent affection  
Made a turn and a slight deviation  
C  
I'm dreaming of a place we can go  
Where we can disappear and drive on this road  
G  
We're gonna wake up  
Pretend that nothing happened  
F  
And just get up  
C  
I'm dreaming of a place we can be  
It's just a freak scene, where it's just you and me  
G  
Not gonna wake up  
Pretend that nothing happened  
F  
And just get up  
( C F )  
( C F )

You know there's no way that I could tell you  
F  
I know there's no other way you'd call me love  
C  
Hmm, all the little light you're giving out  
You know there's no way that I could tell you  
F  
I know there's a better way than using words  
G  
Hmm, if there's nothing to be said  
F  
Why don't we just stay?  
C  
I'm dreaming of a place we can go  
Where we can disappear and drive really slow  
G  
Not gonna wake up  
Pretend that nothing happened  
F  
And just get up  
C  
I'm dreaming of a place we can be  
It's just a freak scene, when it's just you and me
