

Padre Jonas - Mãe de Todos Os Homens

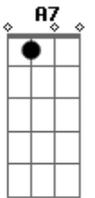

tom:
 Dm
 Mãe de todos os homens, ensina-nos a dizer: A mém!
 Quando a noite está perto e obscurecida a Fé

Quando a vontade do Pai não é fácil de se fazer
 Quando temos que esquecer-nos para pensar em alguém
 Ao acordar cada dia, antes de nada saber
 Se pelo amor dos irmãos, devemos algo sofrer
 Quando deitamos à noite, fechando o dia na Fé
