tom:

Intro: A D A E

Alma de Cristo, santificai-me!

Corpo de Cristo, salvai-me!

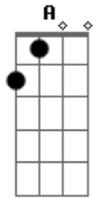

Sangue de Cristo, inebriai-me!

Água do lado de Cristo, lavai-me!

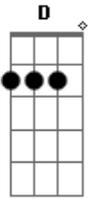

Paixão de Cristo, confortai-me!

Ó bom Jesus, ouvi-me!

Dentro de vossas chagas, escondi-me!

[Refrão]

Não permitais que eu me separe de vós!

Do espirito maligno defendei-me!

Na hora da morte Na hora da morte chamai-me!

E mandai-me ir para vós!

Para que com os vossos santos vos louve

Por todos os séculos, Amém
