tom: D

One day D a little girl came after me A7

 A pencil and a paper in her hand A7
 Those beautiful blue eyes open to life D
 And looked into my eyes with friendly Love D7 G
 To ask a question: Happiness? What is it? D A7 D

You love as Jesus used to love D7 G
 You dream as Jesus used to dream A7 D
 You think as Jesus used to think Bm A7
 You live as Jesus used to live D

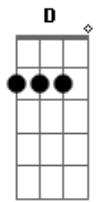

You feel as Jesus felt for people D7 G
 You smile and cry the way he did it A7 Gbm Bm Em

And by the end of day I tell you A7 D (D7)
 That you'll be as happy as you want to be

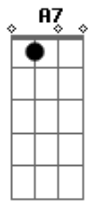

She heard what I had said and looked at me D A7
 She said I was so nice and talked so well D
 She said she wondered if I could repeat A7
 But please I should talk easy, not too fast D
 And once again those beautiful blue eyes D7 G
 Were asking me happiness? What is it? D A7 D

As soon as I had finished every word D A7
 She kept on looking at her little book D
 And suddenly She jumped into my arms A7
 With tears in her beautiful blue eyes D
 And kissed me her good bye with tender mood D7 G
 And left me saying what I said to her D A7 D
