

Padre Zezinho - Yes I Believe In God

tom:

E
Yes I believe in God

B E
Yes I believe in his love

E Gbm
Yes I believe in God

B E
Yes I believe in his love

E
The stories I came here to tell

They speak of God, and truth, and love

A E
They show man in search of life

B E
And life itself in search of man

A E
God is always with his people

B E
Yet we hardly understand

E Gbm
Yes I believe in God

B E
Yes I believe in his love

E
So many times I stop and wonder

Why we live the way we do

A E
For we say God came to earth

B E
And yet we hardly think of Him

A E
Everybody talks of hope

B E

And never sets his hope in Him

E Gbm
Yes I believe in God

B E
Yes I believe in his love

E
Oh yes, I sure believe we could

With just a little more to show

A E
Change the world and our times

B E
If we just let religion grow

A E
But we shy from every effort

B E
All we say is ?I don't know?

E Gbm
Yes I believe in God

B E
Yes I believe in his love

E
I know this life could be so great

If we tried to imitate

A E
Joseph Mary and their Jesus

B E
In that house in Nazareth

A E
But some people make a house

E Gbm
And find no time to build a home

E Gbm
Yes I believe in God

B E
Yes I believe in his love
