Pagan John - Black To Gray

```
No one but you
                                           C)
(com acordes na forma de
Capostraste na 2ª casa
                                                             You are my everything
Intro: (G Am C F C G Am C G Am ) x2
                                                             As long as you're here with me
Esse riff pode ser usado na passagem entre G Am C
                                                             Everything will be ok
 Am C F
                                                             And I like to hear the sound you do when sleeping
When we were younger
                                                             Or singing out of tune when you're alone
G Am C G Am
And innocent hearted
G Am C F
                                                             I can do this every single day from black to grey
Love was no stranger
G Am C G Am
                                                             And no one else could ever make me feel this way
Nothing could change us
G Am C F
So much has come and gone
                                                             No one but you
G Am C G Am
And we stood still as one
                                                             You are my everything
G Am C F
If your sky turns to grey G Am C G Am
                                                             As long as you're here with me
I'll always guide your way
                                                             Everything will be ok
                                                             No one but you
No one but you
                                                             You are my everything
You are my everything
                                                             As long as you're here with me
As long as you're here with me
                                                             Everything will be ok
Everything will be ok
(G Am C F G Am C G Am )
                                                             No one but you
G Am C F
                                                             You are my harmony
Nothing has changed
                                                                      Am
G Am C G Am
                                                             Singing a song_that means
From what I remember
                                                             Everything will be ok
  Am C F
Even when time was short
G Am C G Am
                                                             (G Am C F )
There was no rush to love
