

Pain of Salvation - 1979

tom:

Intro: ^{Am} ^C ^D ^F
^{Am} ^C ^D ^F

It was '79 and the world seemed more kind
And it was still okay to be modest
The sixties were gone but their soul lingered on
And the eighties were still just a promise
And i remember me and you
(^{Am} ^C ^D ^F)

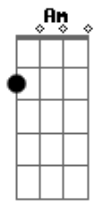

Two children of six still playing with sticks
And whatever we found in the forest
Our grandpas were strong and our parents still young
And the world seemed a little more honest

^{Am} ^C ^D ^F ^G ^{Am}
And i remember me and you

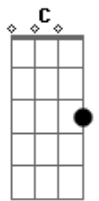

(^{Am} ^C ^D ^F)

^{Am} ^C
All still fine
1979
Left behind
1979
Do you remember?
Do you remember?
'Cause i remember
Me and you
[Final] ^{Am} ^C ^D ^F
