

Pakato do Cavaco - Amor e Serenata

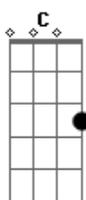

tom: C

Acorda minha bela namorada
 O sol raiou, iluminando mais um dia
 Depois da lua, ele vem no amanhecer
 Contente vendo o nosso amor permanecer

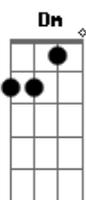

Nesse momento desfrutamos um do outro
 E nessa troca se renova uma paixão

Temos prazer, vivemos em um paraíso
 O que faltar eu vou buscar, fala comigo
 Eu só preciso dessa sua companhia
 É muito fácil ser feliz ao lado seu
 Você merece serenata todo dia
 Porque inspira o poeta que sou eu
 Você merece serenata todo dia
 Porque inspira o poeta que sou eu
