

Pakato do Cavaco - O Amor Vai Na Frente

tom:

C

C

Dm F

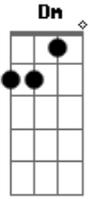

Deixa passar essa onda
 E a gente vai se encontrar
 Bem mais forte que antes
 Tão melhor para o mundo
 Preparado pra tudo

E tudo vai ser muito pouco pode crer
 Pra saciar nossa fome de viver
 Pra apagar nosso fogo de querer
 Matar nossa vontade
 Vamos ter mais consciência e clareza
 Dos valores da vida, da natureza
 O amor vai na frente
 E o futuro da gente é ser feliz com certeza
