

Pale Waves - My Obsession

Tom: C

G
You've got an appetite for wanting love

F
Oh, when death comes you should be

G F
Heaven's obsession, heaven's obsession

G
I'm stood still, I can barely breathe

F
You're such a mess but you're always beautiful to me

G
Run your fingers across my mouth

Em
I'm not prepared to stay here without you

Am F
You'll always be my favourite obsession

G
I'm so sorry for confessing

Am F
And I don't wanna wait 'cause you know I feel the same

G
My obsession

G F
And I swear that I'll never stop loving you

G F
And I'll die by your side if you want me to

G F
Your eyes, so frail, burdened with sadness

G F
Such a pure heart lost in the madness

G F
I'll stay awake to make sure that you never break

Am F
You'll always be my favourite obsession

G
I'm so sorry for confessing

Am F
And I don't wanna wait 'cause you know I feel the same
