

# Palmeiras - Hino do Palmeiras

Tom: F

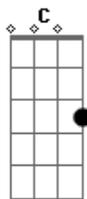

Quando surge o alviverde imponente  
 No gramado em que a luta o aguarda  
 Sabe bem o que vem pela frente  
 Que a dureza do prélio não tarda  
 E o Palmeiras no ardor da partida  
 Transformando a lealdade em padrão

Sabe sempre levar de vencida  
 E mostrar que de fato é campeão  
 Defesa que ninguém passa  
 Linha atacante de raça  
 Torcida que canta e vibra  
 Por nosso alviverde inteiro  
 Quem sabe ser brasileiro  
 ostentando a sua fibra.
