

Palms - Push Off

Tom: Db

(com acordes na forma de C)

Capostrate na 1ª casa

My world my God

If you're going make it

Then it's time I speak my mind

You can't take that away - away

So are you going to use me now?

Well you're a mother fucker

Take this take that I can take it

But I might just lose my mind

Or my shirt anyway

And if it all came crashing down
Just know that it won't bring me down -well

Put me on the front lines
As you're sitting on the sidelines
Don't think you can play with my mind

'Cause that's all mine
While you're slippin' sideways
I've been making my own way
Don't think I'll waste no more time

'Cause that's all mine
'Cause you're a push off
Go on push off

Take this fake that if you want to make it
Now it's time that I speak my mind

You can't take that away

And if it all came crashing down
Just know that it comes back around - well

Put me on the front lines
As you're sitting on the sidelines
Don't think you can play with my mind

'Cause that's all mine
While you're slippin' sideways
I've been making my own way
Don't think I'll waste no more time

'Cause that's all mine
'Cause you're a push off
A little push off

Go on push off

(F Em Dm F Em Dm)
(Am Dm F F Em Dm)
(F Em Dm F)

Put me on the front lines
As you're sitting on the sidelines
Don't think you can play with my mind

'Cause that's all mine
While you've been slippin' sideways
I've been making my way
Don't think I'll waste no more time

'Cause that's all mine
Play with my mind
