

# Panda Cantor - Baqueado

tom:  
C

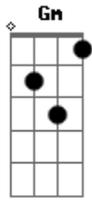

Já foi  
Metade da garrafa  
E você ainda tá aqui  
Inteiramente Na mente  
De um cara que mente  
Que já esqueceu  
Dessa dose pra frente  
Eu vou bebendo por beber  
Quanto mais o grau sobe  
Menos fico sóbrio

Mais sobra você  
Quando falta um pouquin pra esquecer  
Eu tomo um golin pra lembra  
A garrafa acabando  
Eu aqui  
Me acabando de tanto chorar  
Quando falta um poquin pra esquecer  
Eu tomo um golin pra lembrar  
A garrafa acabou  
E eu aqui  
Baqueado de tanto chorar
