

Panic! At The Disco - But It's Better If You Do

Tom: C

Now I'm of consenting age
To be forgetting you in a cabaret
Somewhere downtown where a burlesque queen
May even ask my name

As she sheds her skin on stage
I'm sitting and sweating to a dance song on the club's PA.
And the strip joint veteran sits two away
Smirking between dignified sips of his dignified peach and lime daiquiri...

And isn't this exactly where you'd like me
I'm exactly where you'd like me you know
Praying for love in a lap dance
And paying in naivety

Oh, isn't this exactly where you'd like me
I'm exactly where you'd like me, you know
Praying for love in a lap dance
And paying in naivety

(Pausa)

Oh, but I'm afraid that I,
Well I may have faked it
And I wouldn't be caught dead-d-dead-d-dead-d-dead in this place
Well, I'm afraid that I,
That's right, well I may have faked it
And I wouldn't be caught dead in this place

And isn't this exactly where you'd like me
I'm exactly where you'd like me you know
Praying for love in a lap dance
And paying in naivety

Oh, isn't this exactly where you'd like me
I'm exactly where you'd like me you know
Praying for love in a lap dance
And paying in naivety

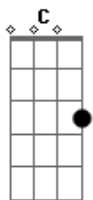

Well, I'm afraid that I,
Well I may have faked it
And I wouldn't be caught dead-d-dead-d-dead-d-dead in this place
Well, I'm afraid that I,
That's right, well I may have faked it
And I wouldn't be caught dead in this place

And isn't this exactly where you'd like me
I'm exactly where you'd like me you know
Praying for love in a lap dance
And paying in naivety

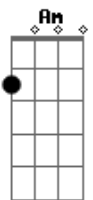

Oh, isn't this exactly where you'd like me
I'm exactly where you'd like me you know
Praying for love in a lap dance
And paying in naivety

Praying for love and paying in naivety
Praying for love and paying in naivety, oh
