

# Panic! At The Disco - King Of The Clouds

Tom:  
[Primeira Parte]

**Bb**  
Heaven knows that  
**A7**  
I'm born too late  
**Dm**  
For these ghosts that I chase  
**Dm**  
With these dreams, I inflate  
**Bb**  
Painted skies in my brain  
**A7**  
Every day, I'm Carl Sagan in space  
**Dm** **Dm**  
To escape this old world, this old world  
**Bb** **A7**  
Some days I lie wide awake  
**Dm**  
'Til the Sun hits my face  
**Dm**  
And I fade, elevate from the Earth  
**Bb**  
Far away to a place where  
**A7**  
I'm free from the weight  
**Dm** **Dm**  
This old world, this old world

[Pré-Refrão]

**Bb** **A7**  
I don't trust anything  
**Dm** **Dm**  
Or anyone, below the Sun  
**Bb** **A7**  
And I don't feel anything  
**Dm** **Dm**  
At all

[Refrão]

**Bb**  
I'm King of the clouds  
**A7**  
Of the clouds  
**Dm** **Dm**  
I get lifted, I get lifted  
**Bb**  
King of the clouds  
**A7**  
Of the clouds  
**Dm** **Dm**  
I get lifted, I get lifted  
( **Bb** **A7** **Dm** **Dm** )

[Segunda Parte]

**Bb**  
Some only live to die  
**A7**  
I'm alive to fly higher  
**Dm** **Dm**

Than angels in outfields inside of my mind  
**Bb**  
I'm ascendin' these ladders  
**A7**  
I'm climbin', say goodbye  
**Dm** **Dm**  
This old world, this old world  
**Bb**  
And when I fall to rise  
**A7**  
With stardust in my eyes  
**Dm**  
In the backbone of matter  
**Dm**  
I'm combustible  
**Bb**  
Dust in the fire when I can't sleep  
**A7**  
Awake, I'm too tired  
**Dm** **Dm**  
This old world, this old world

[Pré-Refrão]

**Bb** **A7**  
I don't trust anything  
**Dm** **Dm**  
Or anyone, below the Sun  
**Bb** **A7**  
And I don't feel anything  
**Dm**  
At all

[Refrão]

**Bb**  
I'm King of the clouds  
**A7**  
Of the clouds  
**Dm** **Dm**  
I get lifted, I get lifted  
**Bb**  
King of the clouds  
**A7**  
Of the clouds  
**Dm** **Dm**  
I get lifted, I get lifted  
**Bb**  
Imagination  
**A7**  
Take me somewhere I don't know  
**Dm** **Dm**  
I'm lost but I better find it alone  
**Bb** **A7**  
King of the clouds, of the clouds  
**Dm** **Dm**  
I get lifted, I get lifted

**Bb** **A7**  
I keep searching  
**Dm** **Dm**  
Oh, I keep searching  
**Bb** **A7**  
I keep searching

[Final] **Dm** **Dm**

## Acordes
