Panic! At The Disco - London Beckoned Songs About Money Written By Machines

With more than good hooks while you're all under the gun

F Am Stop stalling, make a name for yourself. Start talking "a sensationalist" Oh he's slightly clever to just a certain extent Boy you better put that pen to paper and charm your way out. If you talk you better walk you better back your shit up Well keep quiet let us sing like the doves With more than good hooks while you're all under the gun Then decide if it's done with purpose or lack thereof. Start talking "a sensationalist" Am Just for the record, Oh he's slightly clever to just a certain extent Dm D If you talk you better walk you better keep your mouth shut The weather today is slightly sarcastic with a good chance of: With more than good hooks while you're all under the gun A. Indifference or B. Disinterest in what the critics say (Panic!: meet the press) It's time for us to take a chance It's time for us to take a chance It's time for us to take a chance It's time for us... Well we're just a wet dream for the webzine, Well we're just a wet dream for the webzine... Make us it, make us hip, make us scene Laralaralara, laralara... Or shrug us off your shoulders Don't approve a single word that we wrote Woo oh oh, Woo oh oh Just for the record... I'm burning and I'm blacking my lungs Boy you know it feels good with fire back on your tongue Well we're just a wet dream for the webzine... If you talk you better walk you better back your shit up Just for the record...
