

Panic! At The Disco - Nails For Breakfast Tacks For Snacks

Tom: F

Watch your mouth
Oh, oh, oh
Because your speech is slurred enough
That you just might swallow your tongue
I'm sure you'd want to give up the ghost
with just a little more poise than that
Or was it God who chokes in these situations?
Running Late? No no, he called in.
Or was it God who chokes in these situations?
Running late? No no, he called in----

The hospice is a relaxing weekend getaway
where you are a cut above all the rest
sick and sad patients on first name basis
with all the top physicians

Perscribed Pills
to offset the shakes
to offset the pills
you know you should

[Chorus]

take it a day at a time

[Dm]

To the support on the line
And with the way you've been talking
every word gets you a step closer to hell.

To the support on the line
And with the way you've been talking
every word gets you a step closer to hell.

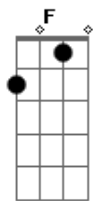

[Chorus x2]

I am alone in this bed, house and head
she never fixes this but at least she
I am alone in this bedroom
She never fixes that but at least she...

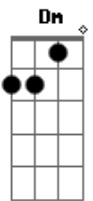

[Chorus x2]

The hospice is a relaxing weekend getaway
where you are a cut above all the rest
sick and sad patients on first name basis
with all the top physicians
