

Panic! At The Disco - New Perspective

Tom: G

(intro) G D C Cm

I feel the salty waves come in
I feel them crash against my skin
And I smile as I respire because I know they'll never win
There's a haze above my TV
That changes everything I see
And maybe if I continue watching
I'll lose the traits that worry me

Cm (hold)
Can we fast-forward to go down on me?

Stop there and let me correct it
I wanna live a life from a new perspective
You come along because I love your face
And I'll admire your expensive taste
And who cares divine intervention
I wanna be praised from a new perspective
But leaving now would be a good idea
So catch me up on getting out of here

(G D C Cm)

Taking everything for granted but we still respect the time
We move along with some new passion knowing everything is fine

And I would wait and watch the hours fall in a hundred
separate lines

But I regain repose and wonder how I ended up inside

Cm (hold)
Can we fast-forward to go down on me?

Stop there and let me correct it

I wanna live a life from a new perspective
You come along because I love your face
And I'll admire your expensive taste
And who cares divine intervention
I wanna be praised from a new perspective
But leaving now would be a good idea
So catch me up on getting out of here

More to the point, I need to show
How much I can come and go
Other plans fell through
And put a heavy load on you
I know there's no more that need be said

When I'm inching through your bed
Take a look around instead and watch me go

Stop there and let me correct it
I wanna live a life from a new perspective
You come along because I love your face
And I'll admire your expensive taste
And who cares divine intervention
I wanna be praised from a new perspective
But leaving now would be a good idea
So catch me up on getting out of here

It's not fair, just let me perfect it
Don't wanna live a life that was comprehensive
'cause seeing clear would be a bad idea
Now catch me up on getting out of here
So catch me up I'm getting out of here

(G Em C Cm) (2x)
