I'm losing to you, baby, i'm no match
I'm going numb, I've been hijacked
It's a fucking drag
Pre-Chorus:
I taste you on my lips and I can't get rid of you
So I say damn your kiss and the awful things you do

Refrão:
Yeah, you're worse than nicotine, nicotine
Yeah you're worse than nicotine, nicotine

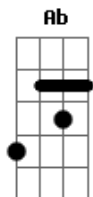

Ponte:
Just one more hit and then we're through
'cause you could never love me back
Cut every tie I have to you
'cause your love's a fucking drag
But I need it so bad
Your love's a fucking drag
But I need it so bad

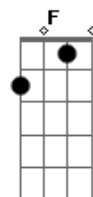

Verse 1:
Cross my heart and hope to die
Burn my lungs and curse my eyes
I've lost control and I don't want it back
I'm going numb, I've been hijacked
It's a fucking drag
Pre-Chorus:
I taste you on my lips and I can't get rid of you
So I say damn your kiss and the awful things you do

Refrão:
Yeah, you're worse than nicotine, nicotine
Yeah you're worse than nicotine, nicotine

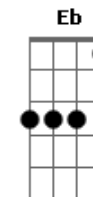

Verse 2:
It's better to burn than to fade away
It's better to leave than to be replaced
