

## Panic! At The Disco - Vegas Lights

```
Tom: C
                                                               Oooooooohhh 5, 4, 3, 2, 1 Oooooooohh 5, 4, 3, 2, 1 (X2)
Oooooooohhh 5, 4, 3, 2, 1 Ooooooooohh 5, 4, 3, 2, 1 (X2)
                                                               Bridge:
verse 1:
                                                                    We're all not here for nothing
                                                            (G
                                                                    And we're bored with looking good
Oh if you only knew what we've been up to I guarantee you'd
keep it secret
                                                                    We gotta be starting something
So give it to me now were lost in a dream now
                                                                    Would you change it if you could?
       Am (hit once)
do it 5, 4, 3, 2, 1 more time
                                                                    We're all not here for nothing (Would you change it if
Chorus:
The Vegas Lights, where villains can spend the weekend
                                                                    And we're bored with looking good (Would you change it if
The deep end, were swimming with the sharks until we drown
                                                                    We gotta be starting something (Would you change it if
The Vegas Lights, the lies and affectations sensations
                                                               you could)
We're winning 'till the curtains hit the ground
                                                                    Would you change it if you could? (Would you change it if
                                                               vou could)
verse 2:
                                                               Chorus:
Ain't it so, ain't it so perfect
                                                               The Vegas Lights, where villains can spend the weekend
Our cynical minds will make it totally worth it
                                                               The deep end, were swimming with the sharks until we drown
So give it to me now we're lost in a dream now
                                                               The Vegas Lights, the lies and affectations sensations
 Am (hit once)
do it 5, 4, 3, 2, 1 more time
                                                               We're winning 'till the curtains hit the ground
Chorus:
                                                               The Vegas Lights, where villains can spend the weekend
The Vegas Lights, where villains can spend the weekend
                                                               The deep end, were swimming with the sharks until we drown
The deep end, were swimming with the sharks until we drown
                                                               The Vegas Lights, the lies and affectations sensations
The Vegas Lights, the lies and affectations sensations
                                                               We're winning 'till the curtains hit the ground
We're winning 'till the curtains hit the ground
                                                               Hook Outro:
Hook:
                                                                                             Αm
                                                               Oooooooohhh 5, 4, 3, 2, 1 Ooooooooohh 5, 4, 3, 2, 1 (X2)
