

Paolo Nutini - Iron Sky

Tom: E

Intro: Dbm E A7M Gbm
Dbm E A7M Gbm

Dbm E

We are proud individuals

A7M Gbm

Living for the city

Dbm

But the flames

E A7M Gbm

Couldn't go much higher

Dbm E

We find God and religions too

A7M Gbm

To bait us with salvation

Dbm E

But no one, no nobody

A7M Gbm

Can give you the power

Dbm

To rise

E

Over love

A7M

Over hate

Gbm

Through this iron sky that's fast becoming our mind

Dbm

E A7M Gbm Gbm

Over fear and into freedom

Dbm

Oh, that's life

E

That's dripping down the walls

A7M

Of a dream that cannot breathe

Gbm

In this harsh reality

Dbm E

Mass confusion spoon fed to the blind

A7M Gbm

Serves now to define our cold society

Dbm

From which we'll rise

E

Over love

A7M

Over hate

Gbm

Through this iron sky that's fast becoming our mind

Dbm

E A7M

Over fear and into freedom

Gbm

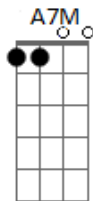

You've just got to hold on

A7M E A7M E

You've just got to hold on
