[Primeira Parte]

<sup>Bm</sup> <sup>A</sup>  
In between a rock and a hard place  
<sup>G</sup> <sup>D</sup>  
Trying to find your way through the dark days  
<sup>Bm</sup> <sup>A</sup>  
But you don't know how  
<sup>G</sup> <sup>D</sup>  
You flipped the world upside down  
<sup>Bm</sup> <sup>A</sup>  
And right now you don't wanna show it  
<sup>G</sup> <sup>D</sup>  
Cause you don't think that anyone will notice  
<sup>Bm</sup> <sup>A</sup>  
Until you tell someone  
<sup>G</sup> <sup>D</sup>  
You'll feel like you're the only one

[Pré-Refrão]

<sup>Bm</sup>  
And everybody says they're fine  
<sup>D</sup>  
But I know we're not alright  
<sup>Bm</sup>  
Everybody says they're fine  
<sup>A</sup>  
But I know we're not alright

[Refrão]

<sup>Bm</sup> <sup>A</sup> <sup>Gbm</sup>  
I know we're not alright  
<sup>G</sup> <sup>Bm</sup> <sup>A</sup> <sup>Gbm</sup>  
It's always darkest just before the light  
<sup>G</sup> <sup>Bm</sup> <sup>A</sup> <sup>Gbm</sup>  
I know your silence is a deadly sound  
<sup>G</sup> <sup>Bm</sup> <sup>A</sup> <sup>Gbm</sup>  
It's never easy when you're breaking down  
<sup>Bm</sup> <sup>A</sup> <sup>D</sup>  
But I'll be there when you come around  
<sup>Bm</sup> <sup>A</sup> <sup>D</sup> <sup>G</sup>  
When you come around

[Segunda Parte]

<sup>Bm</sup> <sup>A</sup>  
Face down in the days that we wasted  
<sup>G</sup> <sup>D</sup>  
Trying to find our way through the mazes

<sup>Bm</sup> <sup>A</sup>  
We could wait this out  
<sup>G</sup> <sup>D</sup>  
Or walk through that fire somehow  
<sup>Bm</sup> <sup>A</sup>  
You trying to put together all the pieces  
<sup>G</sup> <sup>D</sup>  
When you should turn around now and leave 'em  
<sup>Bm</sup> <sup>A</sup>  
'Cause you could lose your mind  
<sup>G</sup> <sup>D</sup>  
Trying to live back in time
