

Paper Twins - Something That Was Changing Your Mind

tom:

D

Lovely, you want me to be

D G

Tell me

Em A

What do you see

Em A

Staring at the pictures now I wait for them to show me

D G

Something that was changing your mind

Em A

I understood the words you said but never knew the meaning

D D

Keep slipping through my fingers each time

Em A

Staring at the pictures now I know they try to show me

D G

I can not see but God knows I try

Em A G

Believer of the mysteries I try to find a way not to cry

D G D G

Drifting, drifting away

D G

Need you

Em A

Need you with me

Em A

Staring at the wall I know you really loved that colour

D G

We picked it out over the phone

Em A

Remember what you said but I could n?ver tell the m?aning

D D

I try to see what I have been shown

Em A

Staring at the pictures now I know they try to show me

D G

I can not see but God knows I try

Em A G

Believer of the mysteries I try to find a way not to cry

(Em A Gbm B7)

Em A

Girl I'm slowing down inside now

Gbm B7

There's nowhere left to go

Em A

I used have you by my side but

Gbm B7

There's no way I would know

Em A

Girl I'm slowing down inside now

Gbm B7

I thought that we had time

Em A

Please wake me from this dream cause

G Gm

I am about to lose my mind

Em A

Staring at the wall I know you really loved that colour

D G

We picked it out over the phone

Em A

Remember what you said but I could never tell the meaning

D D7

I try to see what I have been shown

Em A

Staring at the pictures now I know they try to show me

D G

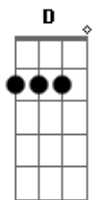

I can not see but God knows I try

Em A G

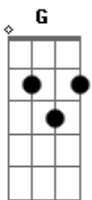

Believer of the mysteries I try to find a way not to cry

[Final] Gm D
