

Parachute - Blame It On Me

tom:

^G

^C You can blame it on the small things ^G

^E You can blame it on your heartbeat ^G

The wrong day

^C You can blame it on your regrets ^G

^E And all your little secrets ^G

You keep them

^C You can show me all your old scars ^G

^E That you got from all the old wars ^G

[Pré-Refrão]

^D You fought so you could tell me ^E

^C "I'm not the one who needs the saving"

[Refrão]

^D You can say what you want but it's only getting better ^E

^C It's alright, oh baby it's alright ^E

^D You can try to deny but it's only getting better ^E

^C It's alright, oh baby it's alright now ^E

^D You think it feels right but you don't know ^E

^C You've got everything you wanted but you're not sure ^E

^D You can say what you please if it's all that you need ^E

^C To believe it's getting better, you can blame it on me ^E

^C There's a million ways to hold on ^G

^E To everything that goes wrong, the sad songs ^G

Oh but all these different reasons

^C Are just a million different ways to say the same old thing ^G

^E Now tell me, "I'm not the one who needs the saving" ^G

^D You can say what you want but it's only getting better ^E

^C It's alright, oh baby it's alright ^E

^D You can try to deny but it's only getting better ^E

^C It's alright, oh baby it's alright now ^E

^D You think it feels right but you don't know ^E

^C You've got everything you wanted but you're not sure ^E

^D You can say what you please if it's all that you need ^E
