Am G Em F
Neon, vacant boardwalk, pavement

Am G Em F
Summer's finally giving up

Salt air, sunset, chasing something

Driving, wondering, where she's gone

Head_lights on

Am G Em F
As I'm speeding down the road I never turned

Tell myself

Am G Em F
If I'm fast enough I'll finally get to her

C G Em F
Jennie, come back, you're the one I needed

C G Em F
I still, feel you, in my arms and now

C G Em F
I know better, there's no going back at all

C G Em F
I was sleeping and I've finally woken up

(Am G Em F)

Am G Em F
Dark sunglasses, Bleach blonde, tan skin

Am G Em F
I still see it, the way she smiled

Am G Em F
On beach days she'd swim, I didn't know it but

Am G Em F
I was blinded by her light

Am G Em F
Her waved had crashed and passed me by

C G Em F

Jennie, come back, you're the one I needed

C G Em F
I still, feel you, in my arms and now

C G Em F
