

## Parachute - Jennie

```
m [Intro] Am G Em F
Am G Em F
Neon, vacant boardwalk, pavement
Am G Em F
Summer's finally giving up

Am G Em F

Salt air, sunset, chasing something

Am G Em F
Driving, wondering, where she's gone
Am G Em F
Head_lights on
      G
As I'm speeding down the road I never turned
Am G Em F
Tell myself
Am G
If I'm fast enough I'll finally get to her
                   Em
I still, feel you, in my arms and now
C G Em F
I know better, there's no going back at all
C G Em F
I was sleeping and I've finally woken up
(Am G Em F)
Am G Em
Dark sunglasses, Bleach blonde, tan skin
Am G Em F
Am G Em r
I still see it, the way she smiled
Fm F
                        Em
On beach days she'd swim, I didn't know it but

Am G Em F
I was blinded by her light

Am G Em F

Her waved had crashed and passed me by
```
