

## Paramore - 26

```
Intro: D G Bm
D G Bm
Man, you really know how to get someone down
                G Bm
Everything was fine, until you came around
And I?ve been chasing after dreamers in the clouds
After all wasn?t I the one who said
         GG
                     Em
To keep your feet on the ground
Man, you really brought me back down
[Refrão]
Hold onto hope if you got it
            D
Don?t let it go for nobody
And they say that dreaming is free
             D
But I wouldn?t care what it cost me
                           Bm
                                              D G Bm
You got me tied up but I stay close to the window
                  G
                           Bm
And I talk to myself about the places that I used to go
I'm hoping someday maybe I'll just float away
And I'll forget every cynical thing you say
             G G Em
When you gonna hear me out
Man, you really bring me down
```

```
[Refrão]
Hold onto hope if you got it
             D
Don?t let it go for nobody
And they say that dreaming is free
              D
But I wouldn?t care what it cost me
    Reality will break your heart
      Survival will not be the hardest part
 It?s keeping all your hopes alive
When all the rest of you has died
So let it break your heart
[Refrão]
Hold onto hope if you got it
Don?t let it go for nobody
         D
Hold onto hope if you got it
             D
Don?t let it go for nobody
And they say that dreaming is free
              D
But I wouldn't care what it cost me
