

# Paramore - Adore

Tom: C

Intro: D D D D

I don't mean to run  
 But Every time you come around  
 I Feel more alive, than ever  
 And I guess it's too much  
 Maybe we're too young  
 And I don't even know what's real  
 But I know I never...  
 Wanted anything so bad  
 I've never wanted anyone so bad

If I let you love me  
 Be the one adored  
 Would you go all the way  
 Be the one I'm looking for  
 If I let you love me (If I Say)  
 Be the one Adored (It's OK)  
 Would you go all the way (You can stay)  
 Be the one I'm looking for

Be the one I'm looking for

Help me come back down  
 From high above the clouds  
 You know I'm suffocating, But I blame this town  
 Why do I deny  
 The things that burn inside,  
 Down deep I'm barley breathing  
 But you just see a smile  
 And I don't wanna let this go  
 Really I just want to know  
 If I let you love me  
 Be the one adored  
 Would you go all the way  
 Be the one I'm looking for  
 If I let you love me (If I Say)  
 Be the one Adored (It's OK)  
 Would you go all the way (You can stay)  
 Be the one I'm looking for
