```
Intro: E B (2x) Db Ab (2x)
Why do you care what people think?
Are you hooked up to their leash?
You know, anklebiters!
Db
Ate up your personality
Try, to remember how it felt,
To just make up your own steps
      Ab
And let anklebiters!
        Ab
Chew up, and spit out someone else
And fall in love with yourself
Because,
Someday you're gonna be the only one you've got
        Db
Someday, you're gonna be the only one you've got
Why you wanna please the world and leave yourself to drop
Someday you're gonna be the only one you've got
E B (2x) Db Ab (2x)
```

```
What, do you actually expect,
A broken mirror to reflect?
Db
You know, anklebiters!
Db
          Ab
Gave you a false perception
      B E
Why do I defend your ignorance
         Ab Db
                  Ab
Oh why do I defend the state you're in
You should, fall in love with yourself
Fall in love with yourself
Someday you're gonna be the only one you've got
        Db
Someday, you're gonna be the only one you've got
Why you wanna please the world and leave yourself to drop
Someday you're gonna be the only one you've got
(Mude)
Anklebiters!
Anklebiters!
Anklebiters!
